An aerial photograph of Liverpool, UK, showing a dense urban landscape with numerous buildings, streets, and green spaces. A red line is drawn across the image, outlining a specific area in the city center. The line starts near the waterfront, moves inland, and then follows a path that encompasses several large buildings and green spaces. The text "£600M Boost for Liverpool" is overlaid on a grey banner across the top of the image.

£600M Boost for Liverpool

Critical to the University's future

An aerial photograph of a dense urban area, likely Manchester, featuring a large, modern, white, conical building with a central spire. A red line is drawn across the image, outlining a specific area of interest that includes the central building and surrounding streets. The text is overlaid on a semi-transparent grey rectangle in the lower right portion of the image.
