

Friday 30 November, 09:00 - 13:00

Organised by Ealing Council, URBED, TEN Group and NLA
Sponsored by Berkeley First, Embassy of Denmark, JMP Consultants Ltd and Peter Brett Associates

General information

Conference title: **Living Suburbs; Getting to Copenhagen**
'from car domination to cycling city'

Conference date: **Friday 30 November 2012**

Conference times: **09:00-13.00**
(registration / refreshments from 08:30)

Location: The Building Centre, 26 Store Street, WC1E 7BT

This event, in association with Ealing Council, URBED and the TEN Group and hosted by NLA at The Building Centre, will allow insight into the modal shift of behavior that has been achieved over the last 30 years in Copenhagen. Danish representatives will share their experience and practitioners and policy makers in London will compare approaches and discuss what action could be taken in London. The morning presentations will be followed by a networking morning tea break and then a series of workshops which will dig deeper.

Expected audience

NLA related events attract a broad and senior audience of professionals from across the built environment, including property and investment, public bodies, architecture and design, planning, construction, engineering, project management and manufacture.

If you need to contact the organizers at any point please call Jess Bousie on 07714979956 or email j.bousie@gmail.com
